## Installation Instructions

Part # 5666201  
Molle Roll Bar Padding Kit  
4 Door JK

Please read instructions entirely before installing this product. It is recommended to install this cover when temperatures are above 70 degrees

**Step 1:** If equipped with, remove the hard top or lower your soft top down completely. If you have a soft top, also remove the door surrounds. These will be re-installed later.

**Step 2:** Using a ratchet and 10mm socket remove the OE speaker sound bar. Disconnect the wire connector located on the passenger side before removing completely. Set to the side, this will be re-installed later.

## Installation Instructions

Part # 5666201  
Molle Roll Bar Padding Kit  
4 Door JK

**Step 3:** Remove the existing roll bar covers by unzipping them, then unbolting the rear seat belts where they attach to the sport bar (Fig A) and bow assembly pivot bracket. The front corner will be secured by a plastic retainer that holds the plastic roll bar cover, lower plastic cover by pulling straight down. If you choose to do so you can cut the existing cover off around these parts. It will be helpful to tape the OE roll bar foam padding to the roll bar to prevent them from moving during install. (Fig B)

**Step 4:** Spread out and lay the rear section over the sport bar. (Fig C) Line up the dome light hole in cover over the dome light. Zip up the center rear section. Dome light can be removed and re-installed over the roll bar cover or cover may be installed over the dome light.

**Step 5:** Wrap the cover around the rear bars and zip up. It may help to squeeze cover together to make zipping easier. These are designed for a snug fit. It will help to

compress the roll bar foam. Note the flap with the snap goes between the seat belt bolt and bow assembly pivot bracket. (Fig D) You can now re-install the seat belt and pivot bracket if you previously removed them. **Make sure to use loc-tite on seat belt bolt.**

Molle Roll Bar Padding Kit  
4 Door JK

**Step 6:** Wrap the cover over the horizontal bar and zip up. The slots in the padding line up with the holes on the roll bar where the OE door surrounds attach. (Fig E,F)

(Fig E)

(Fig F)

**Step 7:** Identify the driver side and passenger side front roll bar covers. It may help to assemble the roll bar cover off the vehicle so you can have a better understanding how they zip together. (Fig G)

**Step 8:** Line up the two small round holes in the rear of the roll bar cover to the two holes in the roll bar where one of the sound bar bolts are inserted. It may help to loosely install a bolt to aid in roll bar cover positioning. Long leg will go towards front of vehicle. (Fig H)

**Step 9:** Zip rear zipper of front cover, then fold up towards roll bar gusset. Fig I

Fig I

Fold cover against roll bar gusset.

Cut out for door surround.

Fig J

**Step 10:** Line up opening on leg with the cut out of the OE foam and the door surround mounting location. Then zip cover together. It will help to pull down on the plastic roll bar corner cover in order to tuck the roll bar cover under the plastic. The plastic cover is held onto the roll bar with a press in retainer. Fig J+K

### **Limited Warranties**

Smittybilt's products are covered under the following limited warranties only. Note that the duration of the limited warranty differs according to the material and finish of the product purchased. Subject to the duration and conditions of the limited warranty stated below, Smittybilt warrants to the original retail purchaser that its products are free from defects in material and workmanship. All other warranties and representations express or implied, are hereby disclaimed, including fitness for merchantability and buyer's intended use or purpose. All parts are sold "AS IS" except for the limited warranties granted herein. Buyer assumes all risks as to the selection, suitability and performance of all goods and products selected. This limited warranty does not cover damage or impairment in any part due to misuse, improper installation, accident or contact with on-road or off-road hazards, product modification, improper or inadequate cleaning and/or maintenance. Smittybilt is not responsible for items damaged during shipping. This warranty is not transferable from the original buyer. For the original Buyer to be eligible for the limited warranty coverage, the Buyer must provide proof of purchase. Smittybilt strongly recommends returning the warranty registration card.

Customer's remedy hereunder shall be limited only to repair or replacement (at Smittybilt's option) of any defective part(s) returned to Smittybilt at customer's expense. The determination of whether or not a returned part is defective or subject to coverage under the limited warranties stated herein shall be made at Smittybilt's sole discretion.

To assure product quality, Smittybilt reserves the right to change product design, material, specification and finishes without prior notice to customers. This limited warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply as to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Smittybilt reserves the right to discontinue product lines and substitute products, or provide other remedies than those listed in this limited warranty for those discontinued products.

### **Warning**

Rollover and other types of vehicle accidents may result in serious injury or death to you, your passengers and others sharing the road. Smittybilt accessories are decorative and are not intended to reduce or avoid injury or damage in the event of an accident. The weight and location of Smittybilt accessories may affect your vehicles' handling, stability and performance, creating an increased risk of accident or rollover. Before installing any accessory, check state laws and assure that the accessory will not obscure any lights or interfere with proper operation on your vehicle's safety equipment. Consult your owner's manual and the Smittybilt instructions, or additional safety information. Smittybilt products, nor the warnings contained herein, are not a substitute for your safe driving. Don't drink and drive, always use seat belts and don't drive faster than conditions permit.
