Step 3. Lay rear section over the rear cross bar. Starting on the driver side, zip up the zipper to enclose the rear cross bar. Ensure dome light cut out is centered around dome light. Fig 2.

Fig 2

Step 4. Starting at the rear of the roll bar. Zip up the bottom most zipper that starts just below the seat belt stud. Fig 3. You will notice extra zipper material this is to allow zipper to be tucked into the cover. Make sure you do not enclose the seat belt with the roll bar cover. Velcro flaps at the top and bottom will finish the edges of the opening. Then zip up the zipper that is above the seat belt stud.

Step 5. Final zipper will be above the rear seat area along the roll bar. The zipper will start towards the front and zip back towards the rear, zipper pull will be covered by Velcro flap.

NOTE: The front roll bar cover will slightly overlap the rear roll bar cover.

Step 6. The underside of the front roll bar covers have some Velcro sewn on the inside along with some pieces of Velcro that are adhesive backed. These can be used to provide a more secure attachment to the sound bar area. Simply clean the surface with rubbing alcohol, attach Velcro to inside of roll bar cover, remove backing and adhere to the sound bar area. Fig 4.

Hand wash with warm water and mild detergent. Air dry only. UV fabric protectant is recommended to extend life of covers.

Limited Warranties

Smittybilt's products are covered under the following limited warranties only. Note that the duration of the limited warranty differs according to the material and finish of the product purchased. Subject to the duration and conditions of the limited warranty stated below, Smittybilt warrants to the original retail purchaser that its products are free from defects in material and workmanship. All other warranties and representations express or implied, are hereby disclaimed, including fitness for merchantability and buyer's intended use or purpose. All parts are sold "AS IS" except for the limited warranties granted herein. Buyer assumes all risks as to the selection, suitability and performance of all goods and products selected. This limited warranty does not cover damage or impairment in any part due to misuse, improper installation, accident or contact with on-road or off-road hazards, product modification, improper or inadequate cleaning and/or maintenance. Smittybilt is not responsible for items damaged during shipping. This warranty is not transferable from the original buyer. For the original Buyer to be eligible for the limited warranty coverage, the Buyer must provide proof of purchase. Smittybilt strongly recommends returning the warranty registration card.

Customer's remedy hereunder shall be limited only to repair or replacement (at Smittybilt's option) of any defective part(s) returned to Smittybilt at customer's expense. The determination of whether or not a returned part is defective or subject to coverage under the limited warranties stated herein shall be made at Smittybilt's sole discretion.

To assure product quality, Smittybilt reserves the right to change product design, material, specification and finishes without prior notice to customers. This limited warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply as to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Smittybilt reserves the right to discontinue product lines and substitute products, or provide other remedies than those listed in this limited warranty for those discontinued products.

Warning

Rollover and other types of vehicle accidents may result in serious injury or death to you, your passengers and others sharing the road. Smittybilt accessories are decorative and are not intended to reduce or avoid injury or damage in the event of an accident. The weight and location of Smittybilt accessories may affect your vehicles' handling, stability and performance, creating an increased risk of accident or rollover. Before installing any accessory, check state laws and assure that the accessory will not obscure any lights or interfere with proper operation on your vehicle's safety equipment. Consult your owner's manual and the Smittybilt instructions, or additional safety information. Smittybilt products, nor the warnings contained herein, are not a substitute for your safe driving. Don't drink and drive, always use seat belts and don't drive faster than conditions permit.
