8mm Lock Washer	4

**Step 1:** Remove oem or aftermarket side rails/steps if equipped. (Fig A)

**Step 2:** Identify the passenger and driver side.(The short end goes towards the front) Place the passenger side guard onto the vehicle by lining up the 4 tabs (2 front and 2 back) on the guard with the already existing holes on the pinch weld area of your vehicle. (Fig A)

**Step 3:** Identify the two holes (one front and one back) on the bottom of the body that the Nut-clips will be inserted into by where the top brackets align with. (You may need to remove some tape that is applied from the factory that is covering the holes) Fig B,C,D

**Note:** On some 2012 and newer models you will not use the nutclip set up with 10mm bolts. Instead of the open cavity area in the bottom of the body tub, there will be threaded holes ( Fig E) If your vehicle is like this then instead of the nutclips you will use the included 8mm bolts/washers to install the front and rear brackets.

**Step 4:** Loosely attach the guard to the vehicle by inserting the 2-10mm hex bolts into the nut clips and 6mm lock-nuts onto the bracket studs that go through the pinch weld area. (Fig D) Note: Due to variances you may need to open hole slightly with drill bit. Once you have attached the front and rear bolts and nuts, you may tighten completely. Installation is now complete, proceed to other side and follow same steps.(Fig F)

### **Limited Warranties**

Smittybilt's products are covered under the following limited warranties only. Note that the duration of the limited warranty differs according to the material and finish of the product purchased. Subject to the duration and conditions of the limited warranty stated below, Smittybilt warrants to the original retail purchaser that its products are free from defects in material and workmanship. All other warranties and representations express or implied, are hereby disclaimed, including fitness for merchantability and buyer's intended use or purpose. All parts are sold "AS IS" except for the limited warranties granted herein. Buyer assumes all risks as to the selection, suitability and performance of all goods and products selected. This limited warranty does not cover damage or impairment in any part due to misuse, improper installation, accident or contact with on-road or off-road hazards, product modification, improper or inadequate cleaning and/or maintenance. Smittybilt is not responsible for items damaged during shipping. This warranty is not transferable from the original buyer. For the original Buyer to be eligible for the limited warranty coverage, the Buyer must provide proof of purchase. Smittybilt strongly recommends returning the warranty registration card.

Customer's remedy hereunder shall be limited only to repair or replacement (at Smittybilt's option) of any defective part(s) returned to Smittybilt at customer's expense. The determination of whether or not a returned part is defective or subject to coverage under the limited warranties stated herein shall be made at Smittybilt's sole discretion.

To assure product quality, Smittybilt reserves the right to change product design, material, specification and finishes without prior notice to customers. This limited warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply as to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Smittybilt reserves the right to discontinue product lines and substitute products, or provide other remedies than those listed in this limited warranty for those discontinued products.

### **Warning**

Rollover and other types of vehicle accidents may result in serious injury or death to you, your passengers and others sharing the road. Smittybilt accessories are decorative and are not intended to reduce or avoid injury or damage in the event of an accident. The weight and location of Smittybilt accessories may affect your vehicles' handling, stability and performance, creating an increased risk of accident or rollover. Before installing any accessory, check state laws and assure that the accessory will not obscure any lights or interfere with proper operation on your vehicle's safety equipment. Consult your owner's manual and the Smittybilt instructions, or additional safety information. Smittybilt products, nor the warnings contained herein, are not a substitute for your safe driving. Don't drink and drive, always use seat belts and don't drive faster than conditions permit.
