

Tailgate bar
2018+ JL Wrangler
Part # 91206

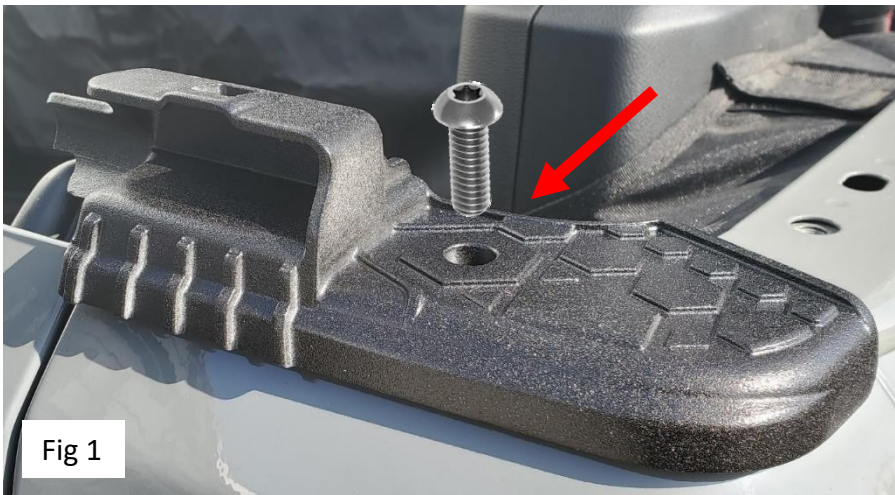

Parts list:

- Tailgate bar
- Tailgate bar retainer (L&R)

Note: Actual pictures may vary from specific vehicle. Requires you to re-use OEM hardtop/soft top M8 bolts.

Will not work with OEM soft tops.

Step 1. Attach tail gate bar retainers to the body tub using OEM M8 button head bolt. Fig 1.

Step 2. Slide your rear window, tonneau cover, or other accessory into the "C" channel portion of the bar. Fig 2

Step 3. Open tailgate and insert the ends of the bar into the retainers. Close tailgate to seal. Fig 3

Photo shown with bare tailgate bar for greater detail of mounting.
